

Apple Division

Draw a picture illustrating how you would divide the apples for each problem and then write the math sentence in the box provided.

Number of Apples	Number of People	Math Picture	Math Sentence
			$8 \div 2 = 4$
10	2		
6	5		
2	3		
7	12		
$5 \frac{1}{2}$	2		
24	7		
15	30		
1	4		
$3 \frac{3}{4}$	6		
17	10
