

# Am I a Square?

Is your arm span longer than your whole body? Is it shorter? Or are they the same? Let's find out!

## Prediction

Predict how tall you are.

\_\_\_\_\_inches

Predict how long your arm span is.

\_\_\_\_\_inches

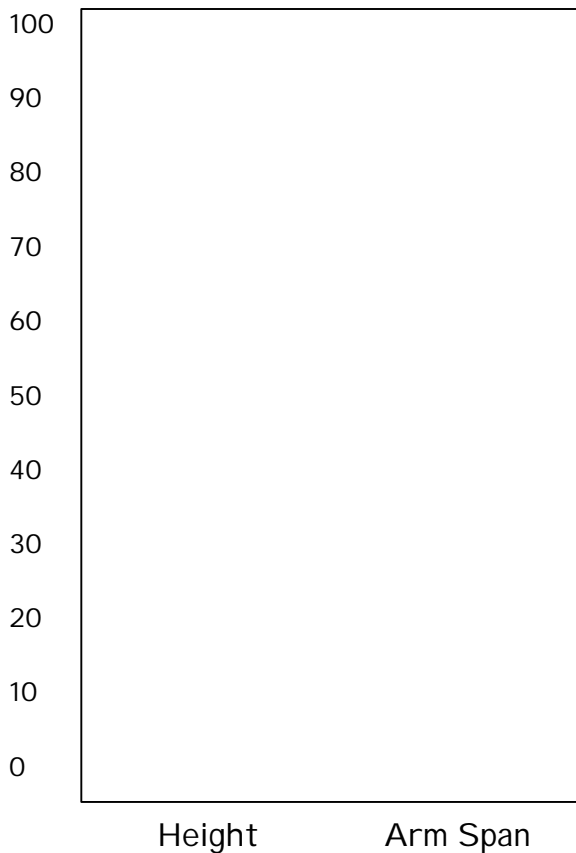

## Actual

Measure your height.

\_\_\_\_\_inches

Measure the length of your arm span.

\_\_\_\_\_inches

Using the area to the left, make a bar graph to compare your results.

Circle the description that matches your measurements.

- square
- tall rectangle
- wide rectangle
